Ms. Carmel is a UK based artist and educationist who uses her art
to draw attention to the world around us, to marvel at its intricacy
of design and to underline the behaviour of those who call this
planet home. ‘She has graciously consented to the use of her
artworks from the series ‘Women in the World’ as the focus of
many of her works is, in her own words, on ‘creating a strong,
supportive network of women.’
Ms. Carmel’s works can be viewed at www.lindacarmel.com
