## Curricula is adjusted according to students' needs

The spirit of inclusive education demands teaching styles to be adapted to students' differential abilities. Teachers create systems of offering additional support to students who may be struggling with comprehending academic material due to various reasons. In such situations, teachers offer slots for extra classes and doubt-clearing sessions.

### Short-term Certificate Course in Spanish

Spanish is today one of the fastest growing foreign languages and is the 2nd most spoken foreign language in the world with over half a billion speakers across the globe.

India has been a front runner in adopting this language and with the heightened interest of Spanish speaking countries in promoting business in India and vice versa, there is an incredible demand for Spanish speaking professionals in India and overseas.

**Mundo Latino – Latin American Cultural Center**, is one of the leading centers for promoting the Spanish language in the country. It is affiliated to Embassies Of Peru (INPEFA), Cuba, Bolivia and Venezuela in India. It has been running Spanish courses for past 11 years in collaboration with LSR, and trained over 700 students from the college. It is offering a customized course at the College exclusively for LSR students at hugely discounted fee.

#### The key features of this course are:

1. It will be spread over 40 hrs at the Basic level with 5 hrs/week (3 classes)
2. There would be combination of lectures, listening exercises, study materials, role plays, use of innovative learning techniques including interactive sessions, cultural workshops, to go beyond the vocabulary and grammar.
- 3 The focus will be to develop the language skills vis-à-vis subject based teaching, with use of unique “SWIRRL” methodology that incorporates developing all core skills – speaking, writing, role plays, reading and listening with the ‘I’ representing Interaction at the center. The ultimate goal is to facilitate ability to converse effectively
4. The course format will introduce the basic grammar, frequently used verbs, structure of sentence with focus on present tense, vocabulary and grammar for the common conversations in daily life settings. The broad modules are:
  - a. Grammar and basic structure of the language
  - b. Vocabulary and rudimentary conversation
5. The materials used have been created with extensive research over past 13 years and 13000 classroom hrs. They have been customized for adult learning and also for developing proficiency in conversation at an accelerated pace.
6. There will be an assessment at the mid-point and then at the end of the course and students will be awarded certificates.
