## Letter of Recommendation

To whomever it may concern,  
 This is to recommend Maaheen Faisal who possesses indelibly efficacious work ethos— particularly in team performance. The aforementioned was a part of the Executive Board and carried out her responsibilities in due time, to a desideratum standard. She is a companionable person with exceptional managerial skills and takes her responsibilities readily. She has worked with us for 1 month and has operated in utmost efficiency for the entire duration. While her commitment to designated tasks is genuinely commendable, we also praise her incredible interpersonal skills. We host the belief that she will perform exceeding well in occupations related to organising or management.

Sincerely,  
 Kashish Gumber

### BLUE BELLS MODEL SCHOOL MODEL UNITED NATIONS CONFERENCE 2020

#### LETTER OF APPOINTMENT FOR THE EXECUTIVE BOARD

September 13, 2020

To Riddhima Singh

We are pleased to inform you that you have been selected as the Vice-President (or equivalent) of the United Nations Women simulation at Bluebells Model School Model United Nations Conference 2020 being organized by Bluebells Model School, Gurgaon between October 17-18 2020. Owing to the situation of the global pandemic, the MUN Conference shall be held over online platforms, the details of which shall be informed to you in due course of time.

Despite the challenges faced by educational institutions during these unprecedented COVID-19 times, it is the endeavor of our team at Bluebells Model School to ensure that young leaders of tomorrow continue on their journey of learning, now more than ever. We acknowledge that the transition from a physical to a virtual environment for hosting Model UN Conferences might take away certain nuances of learning which were only possible with physical interactions, we are confident that with mutual effort we can bring about effective dialogue on pertinent problems the world faces and help sensitize young students enough to have an engaging deliberation and solution orientation.

Your primary responsibility is to enable our young participants by guiding them through a dynamic learning experience. For this purpose, you shall be associated with the Conference in this position of responsibility from the time of your acceptance of this position, till October 19, 2020.

Shared below are certain ideas that have been developed for the purpose of facilitating learning for all stakeholders. The same were discussed with you over the course of telephonic conversations.

#### 1. DEDICATED KNOWLEDGE AND EXPERIENCE SHARING.

Considering BB E-MUN 2020 will be hosted over virtual mediums, it becomes all the more imperative to institute a culture of knowledge and experience sharing. Often we find that the dialogue between the participants and the Executive Board is limited to the submission of a study guide which is usually not enough to engage the spirit of discussion within the participants as can be evidenced from the typical nature of discussions in MUN's today. We are placing an additional responsibility upon our esteemed Executive
