Details of the Software procured for Providing Assistance**

In collaboration with the KPMG Foundation, the college has a state-of-the-art Resource centre for visually challenged students to ensure accessible study material and provide special learning aids.

Designed in consultation with experts from the Saksham Trust and the Xavier's Resource Centre for the Visually Challenged, Mumbai, the Resource centre, aptly titled, Swavalamban, is equipped with the latest assistive technology. This includes:

- Everest–D Braille Embosser
- Screen Reading software
- Lex-Cam Scanner
- Book Scanner
- Daisy Recorder and players
- Ten computer systems with OCR software both in English and Hindi.

In collaboration with the Equal Opportunity Cell of DU, REACH ensures that students have access to reading material, laptops and other recording devices provided by the University. Efforts have also been made to compile all e-learning resources for the various courses in LSR.
