-
- Two workshops are being conceptualised- for the last week of July- each can be 1.5 to 2 hours long
 - The workshops can be done in collaboration with Scholarship Cell
 - Workshops will focus on the programs of Word and Powerpoint. If time allows, then Excel can be addressed.
 - Format of workshops will be hands on and practise based.
 - Venue will be lab 10 in main building
 - Support may be required from the IT staff of the college.
 - Attendance may be arranged for students if they are missing any classes
 - Participants who attend both workshops will get certificate of participation
 - Facilitators will be Ritu and Megha Khandelwal
 - It will be open to students of all UG courses and students of any year can attend.
 - Registration will be online, through Google form. It will be prepared by Ritu and circulated among the student body.

Online certificate Short Term Course in collaboration with Sanskrit Department

9th June 2022

Members present:

- Dr Suman Sharma
 - Dr Sonjoy Roy Chowdhury
 - Dr Megha Dhillon
 - Dr Jonaki Ghosh
 - Dr. Pankaja Ghai
 - Dr. Sushila Kumari
-
- The concept of the short-term course to be designed by IQAC was discussed.
 - The course will be inter-disciplinary in nature and will cover multiple disciplines like Philosophy, Sociology, Sanskrit and History. The aim of the course was discussed as follows: The aim is also to understand interlinkages between concepts such as culture, identity, language, power and history. The further aim is for students to reflect on the lessons offered from the past and critically analyse their applicability in contemporary times. The broad expanse of the course allows for it to be multi-disciplinary in nature and cater to a wide variety of students.
 - Duration of the course will be at least 30 hours.
 - It will be open to students of all UG courses.
 - Registration will be online, through Google form. All sessions will also be online either through Zoom or google platform.
 - Mirzapur college can be invited for inaugural sessions. Students of Aditi Mahavidyalaya and Bhagini Nivedita College will be invited.
 - Potential speakers and dates of commencement were discussed including Dr Bhawna S Jha, Dr Shatarupa, Dr Ashutosh Mathur and Dr Balamram Shukla.
 - Sessions will be in workshop format
 - Poster for course will be designed by Dr Pankaja and Sushila and will be shared with Dr Sharma for approval
 - Students will submit three assignments based on delivered lectures.
