

Sanskrit Department Student Feedback Report

In the end of the semester students submitted their feedback on curriculum, faculty members department activities, teaching learning process etc. couple of suggestions were also pondered for further strengthening the department.

Satisfaction

Most of the students are satisfied with the fulfilment of the expectations they had from the department. They were happy on the way department had made quick arrangements for that time required online teaching. They found teaching learning process enriching and assessed faculty members in the terms of lecture preparedness, punctuality, covering syllabus, approachability etc. Students expressed satisfaction on motivation they received from teachers to pursue research in many fields. They found activities beyond classroom teaching as great pedagogy as they felt that these activities have enhanced their understanding on the subject.

Suggestions

Students have furnished following suggestions for betterment of the department:-

- Adopting interdisciplinary approach in teaching
- Organizing more activities beyond classroom teaching such as field trip.
- Conducting workshops on writing research paper.
- Organizing special classes on basic Sanskrit language
- Some suggestions regarding organizing Rangoli competitions
- Use of smart classes.
- Career counselling with Sanskrit as main subject.
- Individual Sanskrit text reading by the students.
